DEDICATION

On a fall day seven years ago Mrs. Sofie Eisenberg joined the Lick faculty, and every German and French student who has since then come under her influence has been quick to recognize her exceptional qualities. She teaches her subjects not as one who has acquired them painstakingly in a school, but as the facile native with firsthand mastery of every nuance and idiom.

Born in Leipzig, Germany Mrs. Eisenberg lived and studied in Paris, France for five years, and later spent a year in Israel where she compiled a book about the native songs of that land. She speaks fluent Hebrew, Italian, Latin and Spanish, as well as the two languages she teaches, and these skills in themselves, combined with her interesting background, make her a highly qualified individual.

But a teacher is judged by more than how much she knows or where she has been. She is also valued by how well she is able to impart this knowledge and these experiences to her pupils. And in this too Mrs. Eisenberg has been an unqualified success. As every student who has passed through the doorway of Room 5 can testify, her standards are high. She has no patience with lukewarm responses or second best efforts. But for those who really want to learn—who recognize the importance of mastering a second or third language to break down communication barriers in an ever shrinking world—the reward is a steady progress and gratifying proficiency which will leave a permanent imprint on their lives.

And so the class of 1968 is proud to dedicate this yearbook to Mrs. Sofie Eisenberg.

DIRECTOR'S MESSAGE

Because this **TIGER** is basically a report of the record of the 1968 class, the first salute must be for members of that class. To them this salute must ring loud and clear, for they have carried forward effectively the many achievements of the School during this, their senior year. But they have not eliminated the work and spirit of the other classes represented in this report. Involvement in all student areas has been as significant as any in recent years, and much of this involvement has had its source from dedicated leadership by the 1968 class. Nor has this class by-passed its responsibility for leaving the classes which will follow experience for the involvement which they will face in the future. No yearbook to follow this one can be successful without the carry-over of know-how which results in actual experience. We shall have active and trained students to carry on with their own annuals as a result of the training they have had in assisting in the preparation of this 1968 volume.

The second salute must go to those who have worked with and for the school to make this **TIGER** both an informative and "a-live" success. From sports, student government and other extra-curricular activities the obvious involvement of students is recorded with emphasis. We **do** believe our students must become involved to find both personal and group achievement. We work hard, very hard, to open to all our students as many opportunities as possible to contribute and to learn by contributing.

Our faculty's guiding hand has also been woven into reported achievements in this year's annual. They have been involved because their goal is also to make Lick-Wilmerding better year after year. There is nothing static about a school which will accept challenge and try to use the skills needed to listen to students who present problems and plans to them. To learn to act as a guide by listening to suggested changes by students and tempering these suggestions with accumulated experience is a part of the teacher's developing education.

Parents must not be forgotten either, for this record will show how vital it is to any school to have a parent group which is involved personally in assisting the school to reach greater and loftier heights.

To reader, student, parent or Trustee, who also bear in mind these goals toward which the school is moving, more pride will develop. The struggle for leadership in the field of secondary education today has become a compelling factor for forward movement. Most of these items are reported in the **TIGER** of 1968 and thus become a part of the School's permanent record.

Finally, to the **TIGER** staff and all involved in its recording of achievements, may I offer my heartiest congratulations. I am very proud to be a part of Lick-Wilmerding's demands which call for tackling the job of building a better future rather than scrutinizing the past with complacent pride. With the support of the above-mentioned groups, I am sure that Lick-Wilmerding is going to do just that.

ROBERT POPE

And alas, the time came for our hero to leave the place he had called home for four long years. The place he had grown to love, to hate. The place he had laughed at, cried at. He had looked forward to leaving for so long, yet he regretted his departure. And as he stepped forth from out of the broken glass gates of this blue castle by the freeway, with joy in his heart and a tear in his eye, he said, "_____."

VARSITY CAGERS—UNDEFEATED CHAMPS

1968 was another great year for Lick basketball. In their second year under the direction of ex-USF star Jim Brovelli, the Tigers swept to their sixth consecutive league championship and second undefeated season in three years.

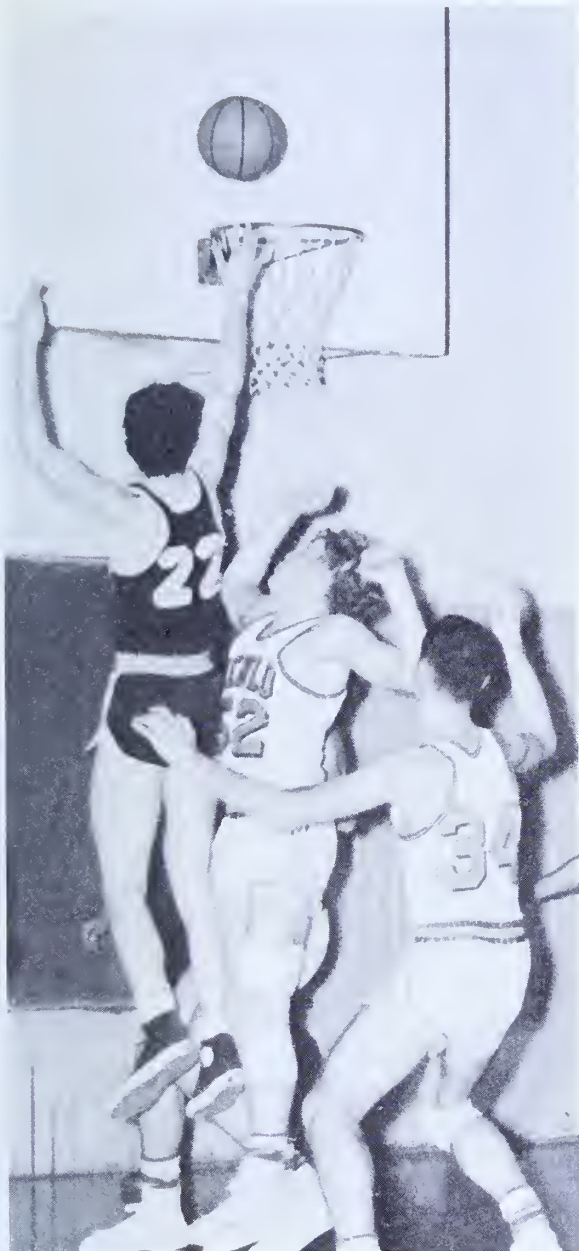

The 68 varsity cagers, a well balanced squad with good depth at all positions, were led by the greatest 1-2 punch in Lick history, Josh Reichert and Mark Citret, who averaged 25 and 19 points per game and shot at 85 and 79 per cent at the foul line respectively. Josh, a small quick guard, was easily recognized as the best shooter in the league. Cit, a great leaper as a 6' 3" forward, led the Tigers in rebounding, and became well-known for his great tip-ins and shot-blocking. He was also respected for his uncanny accuracy from the 15-20 ft. range which brought him the team leadership in field goal percentage at 57 per cent. As expected both Reichert and Citret were selected to the first team all-league.

Mike Popovac, co-captain along with Reichert and Citret, and a starter at forward, was primarily a playmaker who led the team in assists. Pop was reknowned for his great hustle and tough board play which enabled him to make third team all-league. Center Phil Rapoport, injured early in the season came on strong in the league, and earned a place on the second all league team. His aggressiveness and determination made Rap a close second to Citret in rebounding. Tony Symmes, the only starting junior, rounded out the starting five at guard. Tony helped most with his great defense, consistently doing an outstanding job containing the opponents' top scorers throughout the season. Unemotional Steve Wahler, only a sophomore, was indispensable as sixth man filling in admirably at both guard and forward. Strong man Al Marks gave us additional strength on the boards and made opponents literally feel his presence in the game. Rounding out the great squad were guards, Steve Blumlein and Roger Grunwald, forwards, Marc Waidelich and John Hornor, and center Andy Alexander. Although these five saw little action they were an integral part of the team performing well when given the opportunity.

The season was highlighted by a 54-50 overtime win at Menlo, the league runner-up, that decided the league championship. Although Lick led through most of the contest, the Tigers found themselves two points down with less than a minute left. But with five seconds left, Josh Reichert hit a 20 foot jumper to knot it at 44. In the overtime neither team missed a shot. After the Tigers scored to lead 52-50 Steve Wahler made a clutch interception of a Menlo pass and the Bengals had the ball and the lead with only 40 seconds to go. Desperately trying to get the ball back the Acorns were forced to foul. With ten seconds left Reichert hit two free throws, his 7th and 8th of the overtime and 34th and 35th points of the game, and another BCL crown belonged to the Tigers, who went on to win 14 straight games.

Overall this year's varsity was a small, quick, well-knit squad which showed a lot of class, impressing people everywhere. This is reflected by the fact that Lick was invited to three post season tournaments.

MARK CITRET

JOSH REICHERT

THE GREATEST 1-2 PUNCH IN LICK HISTORY

Coach Don Taylor, Bill Claster, Dave Massie, Bjarne Sletteland, Ed Sargent, John Presson, John Wallace, Charlie Mills, Bill Schaupp, Manager Eric Naftaly.

B BASKETBALL

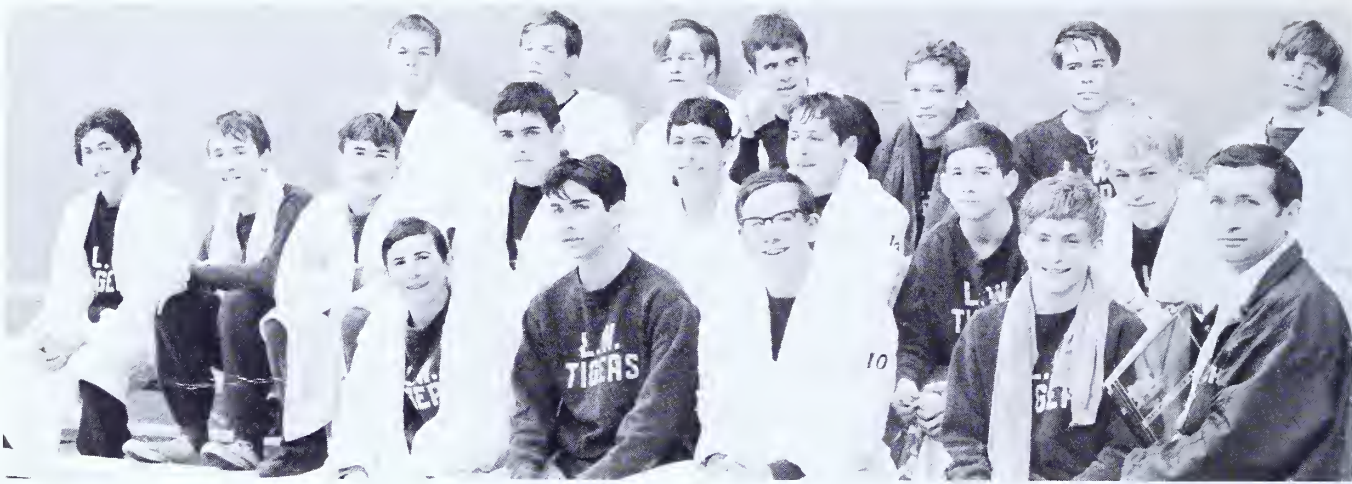

This year's B team, coached by Don Taylor, was one of the most successful in Lick's history, with 16 wins in 22 contests for a torrid 727 percentage.

Experience was the key to the early season. After three November losses in comparatively disorganized efforts, the Tigers used their experience to defeat much taller teams from Oceana, Half Moon Bay, and El Camino. In the El Camino win, Bill Claster set a school record by hitting 17 free throws on his way to a 29-point game, high for the season.

After a loss to Redwood, the lightweight squad picked up eight straight wins, including a squeaker over a Lassen team with a 6-4 center and a 6-6 forward, a one-pointer over St. Vincent, a six-point victory over Emery, and a rout of Menlo. Then came a loss to league champion Emery, in literally the last second of overtime and an eight-point setback at the hands of St. Vincent. After a one-point win over CSD, Lick found the range and made the final four games into massacres, 52-40 over Concordia, 46-28 against Menlo, and two over SRMA, 52-20 and 75-34.

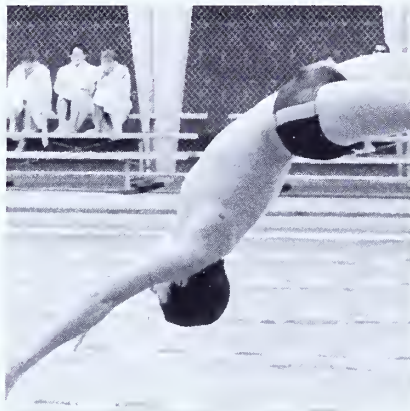

All-league guard, Bill Claster, set a school record by scoring 320 points. Center, Dave Massie, the squad's top rebounder also made the first all-league team. John Wallace, whose rebounding and aggressive play aided the Tiger cause immensely, was given a spot on the backup all-league squad along with veteran guard, Jon Presson. Forward, Bjarne Sletteland rounded out the starting five. Lick won ten and lost two in league play, good enough for undisputed second place behind Emery.

Front Row: Doug Goldman, Emil Devincenzi, Max Kniesche, Bruce Tronoff, Coach Penn. **Second Row:** Paul Kraus, John Cornish, Brian Gibbs, Clint Ashford, Lance Davidson, Ben Shore, Ed McCooley, Chris Doughty. **Back Row:** John Doughty, Captain; Dave Quinn, Tom Culp, Chip McKinney, Steve Wilner, Bob Wertsch, Chuck Pruett.

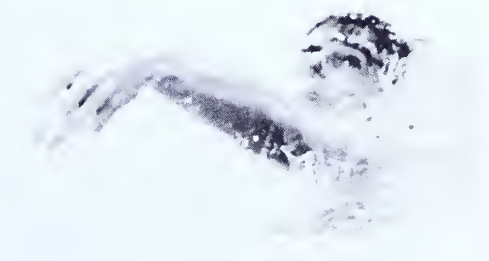

SWIMMING

The Lick swim team seems to have the strength to capture the league swim crown this year, and if the strong wins over its first two opponents mean anything, then Menlo had better look out.

The swimmers comprising Lick's powerful varsity include Clint Ashford, who has already broken two more of his brother's records, Captain John Doughty, seniors Chip McKinney, Dave Quinn, and Tom Culp, sophomores Ben Shore, Max Kniesche, and Paul Kraus, and frosh John Wertsch. The B team, however, is also talent laden, with several swimmers who might end up on the varsity before the season is over. And in the diving department there is a much improved Doug Goldman. Add these three components together and you spell "Victory in 68".

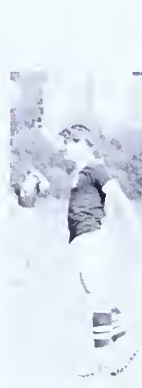

Standing: Coach Bruce Usher, Fred Stout, Mark DeMartini, Charlie Brochard, Tim Jones, Jeff McMeekin. **Kneeling:** Forest Rodgers, King Moore, Rusty Selix, Dean Bernheim, Jim Kerner, Andy Kyte. **Absent:** Coach Bob Crane, Phil Lipton, Pete Rockrise, Pete Maushardt, Bill Lipton, Paul Kraus.

SOCCER

With eight returning starters and two new dedicated coaches, Lick soccer has attained a level of respectability in their second year in the tough San Francisco Junior Soccer League. In 1968, under the direction of SF Staters Bruce Usher and Bob Crane the Tigers have managed to win roughly half their games and are headed for a fourth place finish in an eight team league. The team is led by Fred Stout, the leading scorer, and four veterans who have been playing since their freshman year and are now seniors. Forwards King Moore, Charlie Brochard, and Rusty Selix, and halfback Jim Kerner are excellent examples of how soccer has quickly developed at Lick. The aforementioned five have formed quite a potent offense as compared to past LW teams. The much improved defense is led by hustling junior Forest Rodgers, four year men Phil Lipton and Mark DeMartini; Tim Jones, Andy Kyte, Jeff McMeekin, and gritty goaltender Dean Bernheim.

Through good coaching and hard work this year's team has shown itself as the best at Lick in recent years. With the strong possibility of Bay Counties League Competition next year, soccer is well on its way in becoming a major sport.

Front Row: Dave Tahir, Stu Rosenberg. **Back Row:** John Presson, Eustis Hill, Dave Massie, Coach Jim Brovelli. **Absent:** Leon Schulman, Bill Erlanger, Peter Dickson, Jim Kerner.

TENNIS

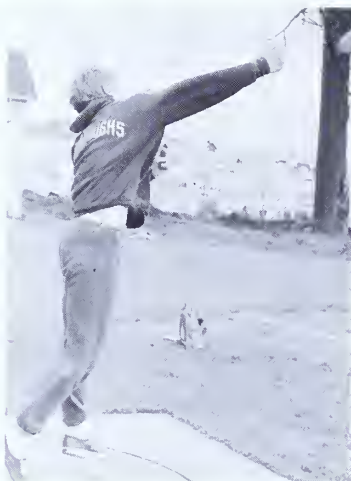

The Tennis Tigers of Lick-Wilmerding, under the supervision of Jim Brovelli, are once again returning with a powerful team. Last year, our netters completely demolished the rest of the Bay Counties League without losing a single set. Although this is not likely to be repeated, we do have four returners from last year's champs. They are Euie Hill, Dave Massie, Stu Rosenberg, and Dave Tahir.

Last year Hill was the underrated number three man. He finished the season with the fewest number of losses on the squad and is a strong number one this year. Rosenberg and Massie, a great doubles team last year, are numbers two and three this season. In addition to these stalwarts we have a strong turnout of new men to give the support needed for another championship bid.

Front Row: Cliff Murray, Rusty Selix, Lee Lindblom, Tom Killion, Bruce Leary. **Back Row:** John Horner, Bill Claster, Bob Pope, Tom Blumberg, Coach James Thomas, Bill Godfrey, Randy Pinetti, David Hopkins, Joe O'Flanagan. **Absent:** Roger Grunwald, Paul James, Ed Sargent, King Moore.

TRACK

Trying to improve on the strong 3rd place standing of last year's track team will be a difficult task for the Tigers. However, with eight returning lettermen, and at least seven new participants, Coach James Thomas figures to have a powerful team, that just may be able to do it.

Bruce Leary, who was the second best two miler in the league last year, and middle distance men Bob Pope and Lee Lindblom head the squad. Pole vaulter Paul James, sprinters Andy Alexander, King Moore, and Rusty Selix, and middle distance men Roger Grunwald, Bill Claster, and Ed Sargent are the other returning men. New faces, who should certainly give us a very strong weight team, are shot put and discus men, Steve Zago, Jim McDowell, and John Horner. Finally, cross country star Kalle Tavela will run both middle and long distances. These four newcomers will try to take up the slack left by the graduation of some of last year's stars.

Because of the relatively small number of track men, Lick is out of the running for a 1st place standing. But, with a little luck, and a lot of hard work, a second place finish is easily within sight for the Tigers.

VARSITY BASEBALL

Standing: Bob Simi, coach; Tony Symmes, Phil Williams, Mike Popovac, Phil Rapoport, Al Marks, Greg Mahoric, Andy Bale, Eric Naftaly (scorer). **Kneeling:** Bill Schaupp, Bob Kaufman, Mike Walker, Bill Bigarani, John Caruso, Rick Amorose, John Wallace, Ken Perluss, Bill Knox. **Absent:** Mike Rivers, Steve Blumlein.

JV'S

Kneeling: Monte Call, Ed Tedinnick. **Second Row:** K.C. Fink, Eric Bogel, Bruce Belotz, Norm Althausen, David Tatman. **Back Row:** Coach Bob Simi, Greg Mahoric, Andy Bale, Scorer Eric Naftaly.

The 1968 Lick-Wilmerding varsity baseball team looks as if it might take the championship for the time in six years. Phil Rapoport, Mike Popovac, Steve Blumlein, and Al Marks are all seniors returning for their second or third season on the varsity. Bill Bigarani, ace southpaw hurler, and infielders Bill Knox and John Wallace are other returning veterans. New talent including Ken Perluss, Tony Symmes, and Rick Amorose help round out what Coach Bob Simi thinks is a real diamond powerhouse.

Leading the way at the plate are Rapoport and Popovac, both of whom were all-leaguers last season. Anticipated improvement from our other returning players would give our top players the support needed to give us the BCL Crown. Experience will be the key if the Tigers are to do it in '68.

In addition to the aforementioned players there has been a large turnout of freshmen and sophomores who will play both varsity and JV ball. It is hoped that these men will not only help the club this year, but will be the nucleus of future LW teams.

EDITOR'S MESSAGE

A high school should be more than just classrooms and desks, doing homework and taking tests. It should be a community with many diverse activities reflecting the varied interests of its students and teachers. Lick-Wilmerding fits this description. Offering academic excellence on a tuition-free basis, Lick provides the student with a unique educational opportunity. It is with these ideas in mind that we have created **TIGER 68**.

For the first time we have both shot and developed all yearbook photography ourselves without professional assistance. This we owe to the exceptional talent and dedication of Jim Kerner and Alan McKittrick. I would also like to thank Mr. Penn, whose photography and continual advice have been invaluable; and Peter Kitchell and Jim Neal, whose collages and help in design, have been a major factor in the preparation of this volume.

We have truly enjoyed producing this year's **TIGER** and hope that you will derive an equal amount of pleasure in reading it.

Sincerely,

Rusty Selix
